September 2025

Dear McEwen Leadership Program Parents:

I hope you all enjoyed a wonderful summer with family and friends. Thank you for your continued support of the McEwen Leadership program at St. Andrew's College. Your support of the variety of extracurricular opportunities provided to the McEwen students throughout the year is encouraging and rewarding. The purpose of this letter is a reminder of the McEwen program's planned summative, celebratory end-of-year field trip for Grade 12 McEwen students to Walt Disney World and Universal Orlando in Florida.

The field trip is designed to recognize the end of the student's participation in the McEwen Leadership program and provide them with applicable learning experiences that they will remember and apply in the future. The field trip will feature a variety of workshops, guest speakers, and facility tours that focus on leadership, marketing, entrepreneurship, and finance – the four core curricular topics of the McEwen program. The extracurricular experiences will be coordinated through the Disney Imagination Campus program and the Universal Orlando Business Learning Series. For your review, please find accompanying this letter a trip itinerary that briefly outlines the content of the planned student workshops, educational programming, and other planned activities during the trip.

The field trip will run from **Saturday, March 7, to Saturday, March 14, 2026**. The students will receive one educational session at Walt Disney World, three at Universal Studios, and free time to enjoy the park and resort amenities at Disney and Universal.

Due to the unique timing and length of March Break, there will be an opportunity for students to enjoy most of their March Break vacation with their families and still participate in this exciting field trip.

To participate in this field trip, there will be a cost of \$5,950 per student.

If you would like your son to participate in this field trip, please complete the following actions and return the required documentation to me at St. Andrew's College by **Monday, September 15**:

- Grade 12 McEwen Field Trip – Consent/AAR Form – complete via the Parent Portal - <https://sac.myschoolapp.com/>
- A scan of your son's passport profile page

I look forward to providing another great experience for the McEwen Leadership program students as they complete their academic careers at St. Andrew's!

Sean Ludwig

Director, McEwen Leadership Program
St. Andrew's College / St. Anne's School
